# Guest Instructors

Debra started sewing as a child and quilting as a teen. She has a Bachelor of Fine Arts Degree in graphic design. Debra worked for many years as an art director. She began designing quilt patterns and teaching in 2000. Inspired by the words of Oprah Winfrey, Debra decided to follow her passions - “quilting and design” and to “shoot for the moon”. In 2006 she started her company, Zebra Patterns. Since then she has built an extensive line of patterns, laser cut silhouettes, books and a large variety of printed destination fabric stamps. Debra is also the creator of the Row by Row Experience Fabric Plates and coordinating fabrics. Learn more about her on her blog called “Shoot for the Moon”.

### Where Ya’ Been? Workshop with Debra Gabel, from Zebra Patterns

Think Scrapbooking for quilters. It’s the best way to describe this quilt banner. We are so excited to have Debra Gabel here to share her amazing artwork through her quilt “stamps”. This triple mini-stamp wall hanging is a great way to commemorate a family trip. You will choose 3 pre-printed mini stamp location panels before class and then spend the day creating your memory quilt. Once you have your wall hanging pieced together you can customize it with travel memory images. The Travel Memories Imagery CD with 30+ custom Travel images and a full alphabet is included in your class kit. (Adding images is to be done at home at your leisure.)

**East Lansing** Tuesday September 19, 10:30 - 5  
**Fee:** \$100 (Includes kit with 3 mini-stamps, fabric for front and back and Travel Memories Imagery CD.) **Lunch included**  
*Guest Instructor: Debra Gabel*

### The Process of Designing with Debra Gabel

If you have ever wanted to add a creative touch to a quilt or wanted to create your own project to express a thought or idea, this workshop is for you. During this workshop you will learn how to express your own ideas and style in a small wall hanging. NO ART OR DRAWING EXPERIENCE NECESSARY. PROMISE! Debra has written a workbook, The Process, that guides you through creating and designing. Debra will share her tricks and techniques while demoing this amazing process. She will guide you through developing a simple concept, drawing a well composed layout and making a pattern for your own small wall hanging. Class is packed with learning and new experiences. Everyone will create their own unique mini quilt top. The class is about imagining an idea, creating a layout and pattern and letting go! You will sew your project at home.

**East Lansing** Sunday September 17, 12-3:45 & Monday September 18, 10:30-5  
**Fee:** \$125 includes some supplies and lunch
